CARNIVAL GLASS AUCTION

Saturday, June 16, 1973

10:00 A.M.

Holiday Inn West

(Interstate 270 & St. Charles Rock Road)

ST. LOUIS, MISSOURI

It is always a pleasure to have the privilege of offering an outstanding collection of carnival glass at auction. Therefore, we take great pride in presenting the collection of Henry and Nancy Taylor.

The name of Henry Taylor is synonymous with top-quality carnival glass. He bought the best he could find and, when possible, traded for even better glass. He has always had only the very best in color. Not only that, he has some of the rarest and most desirable pieces in carnival glass. When you combine the best in color with rarity, you have pieces that any collector would be proud to own. This is your opportunity to enhance your collection with some of the very best to be found anywhere. Many pieces in this auction have never been offered for sale. You may never have another chance to buy them after they are sold in this auction.

It has always been our policy that every piece of carnival glass offered at auction sells to the highest bidder, without minimums or reserves. This is still our policy. Every piece sells to the highest bidder.

Henry and Nancy Taylor will host a preview of the spectacular glass selling in the auction Friday evening from 7 to 9 p.m.

There is a registration fee of \$5.00 at the auction to cover buying number, seat and noon meal. Transportation is available from the airport.
