# CARNIVAL GLASS AUCTION

Saturday, March 1, 1975

St. Louis, Missouri

WOODY AUCTION COMPANY  
COMPLETE AUCTION SERVICE

# CARNIVAL GLASS AUCTION

Saturday, March 1, 1975  
10:00 A.M.

Holiday Inn West #8

(I-270 and St. Charles Rock Rd.)

ST. LOUIS, MISSOURI

## Mr. & Mrs. John Britt, owners

John and Lucille Britt are among the best known carnival glass collectors in the country. They have attended almost every gathering of collectors for several years—whether it was a convention, auction or club meeting. They have always welcomed fellow collectors into their home to view their collection and “talk carnival.”

The most impressive thing about their collection to anyone who has seen it is the consistent high quality of their glass. Every piece—without exception—has the finest of color and iridescence. They have constantly upgraded their collection until every piece is one to be proud of. Also, the variety of patterns in their collection is fascinating with many unusual and rare pieces.

The Britt's are planning a move to Florida and for this reason are selling their collection except for tumblers and mugs. They intend to stay in carnival glass because of the fun they have had in collecting.

John and Lucille will host a pre-sale party from 7 to 9 p.m. Friday evening. They are looking forward to seeing their old friends and making new acquaintances.

The Holiday Inn has recently been remodelled and now has an enclosed tropical playground featuring an indoor swimming pool, saunas, gym, hot whirlpool and recreational facilities. Make plans now to bring the family and attend one of the finest carnival glass auctions ever!

There is a registration fee of \$5.00 at the auction for buying number, seat and noon meal. Terms: Cash or check with proper identification.

Room reservations may be made with the Holiday Inn (phone: 314-291-5100) by asking for rooms reserved for Woody Auction Company or with John Woody, sales manager. Transportation is available from the nearby airport.

## RARE

- N Peacock at Fountain fruit bowl--aqua opalescent, fabulous color, extremely rare 2700
