COMMENT ON THIS COLLECTION:

It is one of the finest collections we have had the privelege to sell.

There are twelve (12) or more of the WATER SETS, Seven or more of the PUNCH SETS which includes three (3) MILLERSBURG in good color. It has several TABLE SETS including the GRAPE/CABLE /TP, WANTED items like the above are harder to find as time goes by.

The RED FUNERAL HOME VASE is the largest that I have ever seen, it has a stretch effect and the deep color is beautiful.

The VASE collection is excellent patterns and color, most marked with the N.

WE INVITE YOU TO ATTEND THE SAT. EVE PREVIEW from 8: to 10: P.M. Our usual SMORGASBORD will be our way of saying "THANK YOU" for coming all those expensive miles to attend our sale.
