CARNIVAL GLASS AUCTION

Friday, October 20, 1978

7:00 P.M.

Saturday, October 21, 1978

10:00 A.M.

**Holiday Inn
I-57 & I-70
Effingham, Illinois**

Mr. and Mrs. Neal Markham, owners

The Markhams have been collecting carnival glass for a number of years and have always been very active, taking part in conventions and attending auctions until their activities were curtailed due to health. They have many friends among carnival collectors and have enjoyed collecting tremendously. They are selling their collection now because they are planning more travel during their retirement.

The Woody Auction Company has cut back on the number of carnival glass auctions we conducted this year because of our heavy schedule of other types of antique auctions. We are very pleased to conduct this auction (our first carnival auction since April) because we feel that it is an outstanding collection with a number of rare items and with good quality all the way through. This is the last carnival glass auction we have planned for this year and we feel that is a fine collection to end the year with.

We are looking forward to seeing you there.
