LOT NO. 100

We are pleased to present the collection of Robert and Coletta Courtney as our first major auction to be held in Ohio this year. They have been associated with the glass collecting hobby for years, and as a result, have acquired a number of very rare items - some never sold at auction before. They bought what they liked and what was of interest to them, and we are sure no one will be disappointed in their effort. A super auction to start another super season - be sure to be there!

The Holiday Inn at New Philadelphia, Ohio will host the event. It's convenient location right off I-77 in the heart of the Amish country has proven to be a favorite among our customers. Be sure to call in advance for reservations at 216-339-7731 and mention our auction service. Hope to see you there!

Mail bids honored under the following conditions:

1. 25% deposit required on total number of pieces bid on.
2. Items are bid on in perfect condition with average and above average iridescence OR as listed in the brochure. Bids will not be carried out when damage on an item has been found during the auction.
3. Successful bidders will be notified by COLLECT CALL from the auctioneer -so be sure to include phone number. Balance of payment to be sent upon notification - no items to be mailed until fully paid for; all postage and insurance is extra! Mail bids and returns to be negotiated between auctioneer and buyer, but reimbursed by consignor.
4. Phone inquiries about the glass or any other questions are welcomed, but no bids will be taken over the phone - we must have a mail bid to carry out your bid.
5. All non-successful bids will receive their deposit checks plus a result summary in the mail. Results of all bids will be provided.
6. If you have some other person at the auction bidding for you; they must pay for the item before taking it, or have a deposit from you in which case it would be treated as a normal mail bid - you would have to mail the balance before the items would be sent.
7. Mail bids are due by Monday, March 4, 1985.
