We are pleased to present a fine assortment of approximately 200 pieces of old Carnival Glass to be sold at auction in conjunction with the NECGA Convention to be held here Sept. 6, 7 & 8.

The glass came from the collection of Mr. and Mrs. S. E. Meyer from Springfield, Tennessee. They have been active collectors for over the past decade and because of excessive travel away from home, they thought it best to sell. There is offered a fine selection of the many makers and the colors they produced. Many pieces have fine color with minimal damage.

The Quality Inn and Conference Center in Chicopee will host the event. You can call the motel direct for reservations at 413-592-7751. The club has arranged for a package plan to be available for those who wish to attend the convention (plan is optional) which includes 2 nights lodging plus some meals, etc. For further convention information you may contact the convention chairman, Howard O. Robinson at (413) 536-4319.

As a special "arm-twister" just remember that the week following the convention is the week-long Brimfield Flea Markets in Brimfield, Mass.; thousands of dealers with just about anything you're looking for. . .including carnival. Hope to see ya.
