HOLIDAY INN
New Philadelphia, Ohio (just off I-77)

As we taper down our season, we again travel to eastern Ohio to bring you another quality carnival glass auction. This auction includes the collection of Dorothy Vitaz from Cleveland, Ohio. These folks were major collectors in the late 60's and early 70's (one of the old collections) and have a good number of unusual vases and scarce Millersburg.

There are a number of good quality items to be offered. Hope to see you all there.

The Holiday Inn, just off I-77, in New Philadelphia, Ohio will host the event and with new management we have been assured they will do their part of making your stay a comfortable one. For those wishing to make a reservation you may call the motel direct at 216-339-7731.

We'll see you there!

Mail bids honored under the following conditions:

1. 25% deposit required on total number of pieces bid on.
2. Items are bid on in perfect condition with average and above average iridescence OR as listed in the brochure. Bids will not be carried out when damage on an item has been found during the auction.
3. Successful bidders will be notified by COLLECT CALL from the auctioneer - so be sure to include phone number. Balance of payment to be sent upon notification - no items to be mailed until fully paid for; all postage and insurance is extra! Mail bids and returns to be negotiated between auctioneer and buyer, but reimbursed by consignor.
4. Phone inquiries about the glass or any other questions are welcomed, but no bids will be taken over the phone - we must have a mail bid to carry out your bid.
5. All non-successful bids will receive their deposit checks plus a result summary in the mail. Results of all bids will be provided.
6. If you have some other person at the auction bidding for you; they must pay for the item before taking it, or have a deposit from you in which case it would be treated as a normal mail bid - you would have to mail the balance before the items would be sent.
7. Mail bids are due by Thursday, November 21, 1985.
