We are, again, pleased to present to you a quality carnival glass auction as part of the Tampa Bay Carnival Glass Clubs "Lose Your Heart To Carnival Glass Jamboree". The annual mini-convention runs February 13-15, with a number of activities planned for the three days.

The auction, planned for Saturday evening, is made up of the collection of Bob Suslowicz from Pittsburgh, PA. Bob has been an active collector in the eastern U.S. for over 10 years and has an excellent eye for quality. His selection of glass will testify to that, with a number of his items being some of the best quality you will ever find.

The jamboree will be held at the Huntly Inn which is located just off I-4 and U.S. 98 in Lakeland, Fla. For further information on the convention or its activities, call or write, Arthur Smith, 4535 Holder Court, Lakeland, Fla. 33805. Phone number 813-644-4058.

Mail bids honored under the following conditions:

1. Send 100% deposit on all bid items - that way book work will be held at a minimum and I won't have to wait a month or more for any balances.
2. Items are bid on in perfect condition with average and above average iridescence OR as listed in the brochure. Bids will not be carried out when damage on an item has been found during the auction.
3. Successful bidders will be notified by collect call, or attempt to contact auctioneer on your own. If phone number does not appear, you will be notified by mail.
4. Phone inquiries about the glass or any other questions are welcomed, but no bids will be taken over the phone - we must have a mail bid to carry out your bid.
5. All non-successful bids will receive their deposit checks plus a result summary in the mail. Results of all bids will be provided.
6. If you have some other person at the auction bidding for you; they must pay for the item before taking it.
