Every once in a while, you come across a situation which turns your business into a pleasure, and this is surely a pleasure. We are pleased to present to you, as our first major auction of 1986, the collection of Richard and Mary Noonan from Layfayette, Indiana.

I first met these folks at the 1972 Rochester, N.Y. I.C.G.A. Convention and through their help and others like them I've learned a true appreciation for Carnival Glass. Now, as an auctioneer, I tend to enjoy showcasing the items of our terrific hobby, and this is one collection that deserves a showcase.

In the 25 years or so of collecting, they have acquired a number of quality items in a large variety of shapes and colors, with a number of one of a kind items. They were Charter Members of I.C.G.A. and traveled to conventions and auctions in search of a new addition or a better quality upgrade of what they had. The result is a collectors dream and no one should miss it if at all possible. We are sure no one will go away without being impressed. Hope to see you there!

The Cleveland/Hudson Holiday Inn will host the event. The motel is located just off Exit 12 of the Ohio Turnpike (Rt. 8). The motel comes complete with an indoor pool plus all the eating and lounge facilities we all like. The motel rate of \$34.95 single or double will be in effect. For those who wish to attend, you may call the Holiday Inn direct at 216-653-9191 and mention the auction. Also, for those who wish to fly into the Cleveland/Hopkins Int'l. Airport, there is a shuttle available at a cost - inquire at the motel.

See you there!

Mail bids honored under the following conditions:

1. 100% deposit required on total number of pieces bid on.
2. Items are bid on in perfect condition with average and above average iridescence OR as listed in the brochure. Bids will not be carried out when damage on an item has been found during the auction.
3. Successful bidders will be notified by Collect Call from the auctioneer - so be sure to include phone number -or you may call on your own accord starting Tuesday.
4. Phone inquiries about the glass or any other questions are welcomed, but no bids will be taken over the phone - we must have a mail bid to carry out your bid.
5. All non-successful bids will receive their checks plus a result summary in the mail. Results of all bids will be provided.
6. If you have some other person at the auction bidding for you, they must pay for the item before taking it.
7. Mail bids are due by Monday, March 31, 1986.
