RED OPALESCENT

Less than a half dozen pieces are known in this rare and unusual color and here again they are all Fenton. A couple of Waterlily footed sauces and 2 or 3 Blackberry hats are confirmed. We can't be sure if these were experimental or accidental. We can be sure they were not a production line item.

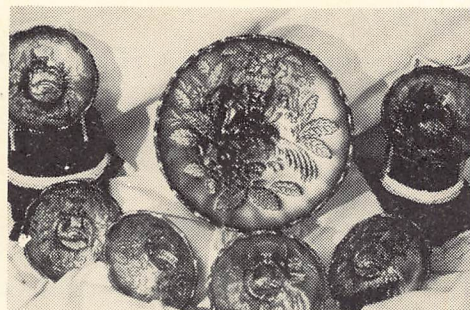

Note: See Lot # 153

"ABSENTEE BIDS"

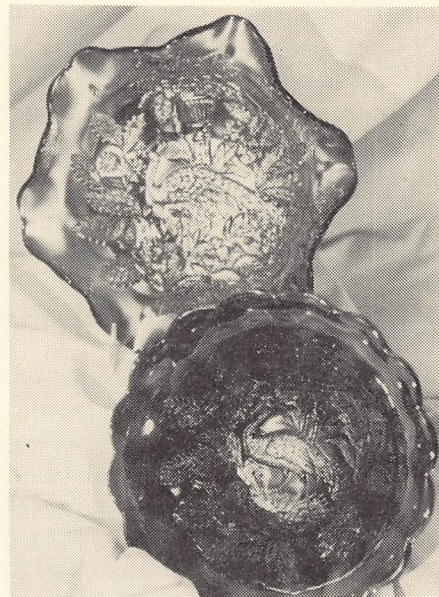

Will be accepted with a 25% deposit until November 20, 1986. Your bid will be handled as though you were present. Your bid will not be executed unless the item is in mint condition. If you are successful, you will be notified by mail and the item will be sent to you as soon as a check for the balance due, plus postage and insurance is received. If your bid is not successful, your check will be returned with a statement of the selling price.
