Words cannot express my pleasure in presenting, at auction, part of the Don and Connie Moore collection.

Don and Connie are one of the most widely known and respected couples in our Carnival Glass hobby. Don is one of the top authorities on Carnival and in addition to his three books, has written extensively for most of the major antique publications including a number of cover stories for The Antique Trader; and we never go a month without seeing one of his articles in a Carnival Glass publication.

They have decided to reduce their collection in view of the difficulty of maintenance and the increasing problem of obtaining adequate insurance coverage on so large a collection. The constant threat of earthquake in the San Francisco Bay area is also a distant worry. He intends to continue to collect Carnival and write and lecture throughout the country as time and health permit. This is a unique opportunity to obtain a choice piece of glass from this world renowned collection. Hope to see you all there.

The Richfield Coliseum Holiday Inn will once again host one of our events. Reservations can be made by calling the Motel direct at (216) 659-6151. We will have a block of 40 rooms set aside for our customers at a rate of \$46.00 per room. So make sure you mention Burns' Auction Service when corresponding with the Motel. Also, a **SPECIAL NOTICE** for anyone who will be flying into the Cleveland - Hopkins International Airport, we have a special shuttle van hired for your convenience on the 12th - 15th at the lower gate exit 6. The schedule of hours are: March 12, from 12 noon - 7:00 pm, March 13, from 9:00 am - 6:00 pm, March 14 - no scheduled times, and on March 15 from 9:00 am - 12:00 noon. For pick-up contact Motel front desk or Tom at his home number.

Mail Bids honored under the following conditions:

1. No deposit required. We will try a no deposit system. Bidders will take full responsibility to honor any and all bids we execute for them. 2. Items are bid on in perfect condition with average and above average iridescence OR as listed in the brochures. Bids will not be carried out when damage on an item has been found during the auction.
3. Successful bidders will be notified by Collect Call from the auctioneer (so be sure to include phone number) or you may call on your own accord starting Tuesday.
4. Phone inquiries about the glass or any other questions are welcome, but no bids will be taken over the phone - we must have a mail bid to carry out your bid.
5. All non-successful bids will receive a result summary in the mail. Results of all bids will be provided.
6. If you have some other person at the auction bidding for you, they must pay for the item before taking it.
