It is with great pleasure that we offer to the public, at auction, the collection of Dick and Jewel Bennett, from East Point, Georgia. These folks have been active collectors as long as I can remember. For many years you could expect Jewel to her glass on display locally as her part of Carnival Glass Month. Her love for the hobby is reinforced by the fact that she bought her first piece 35 - 40 years ago - that's some devotion! Also, Dick was once a resident of my home area of Upstate New York and moved away in 1929 - a piece of my local history I find extremely educational and also dear to my heart.

For their personal convenience and for your pleasure they have decided to disperse their large extensive collection which contains a variety of colors and patterns - you'll enjoy it, hope to see you there.

The Econo Lodge of New Philadelphia, Ohio, will host the event. Reservations can be made by calling the motel direct at (216)339-7731 and make sure to mention the auction. Send your mail bids to my home address by Thursday, June 18th.
