Roy & Elvera Smith of Huntington Beach, California are long time collectors who have assembled an outstanding collection of carnival glass over many years. They began collecting by trying to find tumblers to match a blue Rambler Rose pitcher that Mrs. Smith's aunt had given to her to play house with as a child. Over the years they traveled extensively in pursuing their hobby & managed to locate and purchase many top-quality items. This collection contains many pieces obtained from Mrs. Hunting, Charlotte Williams and Don Moore. We think you will agree that this is an extremely good selection of glass with good color and little damage.

PREVIEW: Saturday, 8:00 A.M.
