*Welcomes You to Our
Annual Convention Auction*

Auction Program
July 7, 1988 — 1:30 P.M.

(COOPER)

Welcome to the Auction

As part of the I.C.G.A.'s convention, we are delighted you came here today. We want you to join in the fun and excitement of the auction.

Each piece offered for sale to the highest bid, is numbered for your convenience. Should you have any questions now or during the auction, just let us know.

All rules and procedures have been kept easy to understand and few in number for your enjoyment.

Again, welcome and we hope you have a good time. Good luck on your choice of glass.

Auction Rules

1. All sales are cash or check only. All purchases must be paid for not later than end of sale.
2. You are totally responsible for all items bought using this bidding number. Do not lose your bidding number card.
3. The I.C.G.A., the auctioneer and all personnel are in fact agents for the glass owners and do not warrant the origin of any pieces of glass.
4. Every effort will be made to call any damage to glass. After your purchase, you have the right to return piece for resale, if you are not happy with its condition. No glass will be returned after the sale of the next five pieces.
5. In the event of a tie bid or a disputed bid, the auctioneer's word shall be final on whether the bid shall be reopened. If any dispute arises after the sale; our sale record is conclusive.
6. Any mail in bids, will be executed by one person and will be accepted as a normal floor bid.
7. All sales final. You must inspect the glass yourself or buy without inspection at strictly your own risk.
8. We appreciate your attendance. Having read the rules of this sale, if for any reason you cannot or will not comply—do not bid. You are welcome to stay and observe. However, we must insist on strict compliance in every matter. Our aim is a fair and orderly sale for both seller and buyer. If you have any questions during the sale, feel free to stop us anytime. Any questions?
