## ESTATE OF LOUISE B. HENDRICKSON

Louise and Carl Hendrickson spent many happy hours hunting for the beautiful Carnival Glass they both loved. They searched their native Vermont and, in later years as they made their twice-yearly trips between Arizona and Vermont, they kept watch for the lovely glass they collected. The Hendricksons became known to many collectors because they tried to schedule their travels so that they could take in as many Carnival Glass auctions and conventions as possible. As a result, they were able to put together a very fine collection of choice Carnival Glass with colors in every hue of the rainbow.

Due to the death of Mrs. Hendrickson, this fantastic collection of Carnival Glass will be sold at public auction. There are over 700 items to be sold with many rare items included. This auction will certainly be one of the highlights of the year in the Carnival Glass world . . . don't miss it!!
