

I.C.G.A.

1989 CONVENTION AUCTION

For the past five years, the I.C.G.A. has offered, to our members, many good auctions. They have contained almost every pattern, shape & color. Some pieces brought record prices, very large crowds, wonderful times & satisfied owners.

The I.C.G.A. is very pleased & honored to sell the collection of M/M Isaak Somershein of Merion Station, PA.

After 20 years of buying only rare, different, super color pieces, they're selling their glass & starting over. Such color & unusual patterns are seldom seen in such quantity. It will be one of the top five sales of 1989. **READ THIS LISTING WITH CARE...**

Notice the words, "RARE", "SCARCE", & bold letters describing pieces were left off... Why? If done, almost every piece would be described as such and all lettering would be in bold letters.

Gary Cooper of Clio, Michigan, will, again, come to Elkhart, to auction off this fine collection. Gary runs a smooth, professional sale and is very eager to help the I.C.G.A.

The auction will again be in the daytime hours on Thursday, and will last four hours.

Mail bids will be accepted with a 25% deposit. Please send cash or check. Credit card will not be accepted.
