AUCTION RULES

Each Piece offered for sale to the highest bidder is numbered for your convenience and will be sold in numerical order. All of the rules and procedures have been kept easy to understand and few in number for your enjoyment. **PLEASE READ THESE AUCTION RULES!!!**

1. The Bid Number assigned to you is good for both days and you may pay for both days' purchases on Saturday if you choose. You are responsible for all items purchased on that number. If that number is lost, report it immediately.
2. Auctioneer and all personnel are in fact agents for the owners of this merchandise and do not warrant the origin of any items.
3. Every effort will be made to call any damage on glass. After you have made a purchase you will have 15 minutes to inspect said item — NO glass will be returned or turned back in after this time period. All glass being returned must be inspected by Buck Walraven and you will be asked for what reason it is being returned. **STRAW MARKS and MANUFACTURERS FLAWS** are not considered damage.
4. In the event of a tie bid the Auctioneer's word shall be final on whether the bid shall be reopened. If any dispute arises after the sale; our sale record is conclusive. **THIS SALE IS BEING TAPED.**
