1:45 P.M.

Route 75 and Highway 251  
(Exit 1 off I-90)  
South Beloit, Illinois

The Lincoln-Land Carnival Glass Club is once again pleased to offer another fine selection of glass for this year's annual Christmas Party Auction. The sale consists of about 60 pieces of nice quality glass which were consigned by several of our members. Jim Seeck will once again be our auctioneer. Everyone knows what a great job he does, and we all appreciate his generosity.

Plan to come on out for the Party. The activity gets underway on Saturday evening, December 2nd, with a huge Hospitality Room, visiting with good friends, and lots of buying and selling of glass. Contact the Holiday Inn directly at (815) 389-3481 for reservations. A special block of rooms has been set aside for this event.

Proxy bids will once again be honored this year with the standard write-in bid policy applying. No deposit is required. Contact the Auction Chairman, Rick Kojis, at (414) 327-0321 if you have any questions or if you desire to place an absentee bid.
