

# I.C.G.A. 1991 Convention Auction

(Ed. Note...Due to the favorable response last year, we are again making the Convention Auction Catalog a part of the PUMP. Just as last year, this catalog is removable...simply straighten the staples, remove and reclose staples.)

As always a fun filled and exciting event at all I.C.G.A. conventions, is your auction. Every year, it seems to draw more new (and yes, younger) faces. This year your club is delighted and honored, to sell the fine collection of Mr. & Mrs. Gus Van De Perre of Ithaca, Michigan.

They have been very helpful and great to work with. The listing is 90% of all their glass and with fondness and fairness they want all of us to enjoy their 25 years of love and devotion in collecting. I thank them for the trust in our auction program and promise them and to all attending, a fair and fun filled event.

Since I've stopped smoking since the Iowa convention, the no smoking rule will still be there. No mail bids will be taken on any punch sets and the sale will start at 11:00 Thursday morning. Mail bids accepted with 25% deposit check until July 16th. All tumblers with water pitchers, will be sold separate.

If you need any information on auction, write or call me.
