MR. & MRS. JACK SALISBURY, OWNERS

The Salisbury's have collected carnival glass for quite a few years and have put together a collection of over 400 pieces including a great variety in terms of color and patterns plus a number of rare and scarce items. As is true with virtually all collectors, quality of iridescence and color was the main criteria in choosing items for their collection. We invite you to join us for the dispersal of this fine collection.
