Seeck Auctioneering is pleased to be selling three great collections of Carnival Glass. We have Mr. & Mrs. Roger Sellers' collection from Lake Havasu, Arizona. The Sellers have a nice selection of glass with a little something for everyone. We have Moe Myer's collection from North Conway, New Hampshire. Moe was most noted for his super collection of vases including some very rare and unusual ones. We also have several pieces from the Richard & Roberta Conley collection from Silver Springs, Maryland. Included are some marvelous hatpins. Hope everyone can come for this weekend full of Carnival Glass. Don't miss out, there's something for everyone!
