located behind BP Gas station.*

Here we go again! Doesn't time fly - it's ACGA Convention time again and we at Burns Auction Service are ready to bring you the show. This year's auction is a humdinger featuring the collection of Rovene Heaton from Muncie, IN (and Tucson, AZ) plus a couple of extra items.

Rovene has been an active collector of Carnival Glass on a national level for over 30 years. She served as an officer for the ICGA for many years and has done more than her share in promoting the hobby. Some of the items offered are unbelievable - just to be able to see these pieces is a rarity! It's a real pleasure to be able to sell glass like this and for a gal like Rovene. This should be an education as well as the usual great time. Don't miss it - you won't be sorry!

The auction is being held in conjunction with the annual ACGA Convention, running from Wednesday, July 27 thru the Breakfast on Saturday, July 30th. Take time off and join us for a Barbeque on Wednesday, the auction on Thursday, the banquet on Friday and the Good-Bye Breakfast Saturday morning. For reservations call the motel direct at (614) 436-0700. ACGA members have all the information in their June newsletter. Come join the fun!

**Special Note:** Remember, we're doing a Victorian / Carnival Glass Auction on Sat. the 30th at the same location! It'll feature a great selection of Victorian Opalescent & Enamelled Pattern Glass as well as a nice Carnival selection. Be there!

**ACGA Mail bids due by Wednesday, July 27th.**

Mail Bids honored under the following conditions:

1. No deposit required. Bidders will take full responsibility to honor any and all bids we execute for them. Payment in full plus postage and handling required after notification and before we ship any item to them.
2. **Items are bid on in perfect condition with average or above average Iridescence OR as listed in the brochures. Bids will not be carried out when damage on an item has been found during the auction.**
3. Successful bidders will be notified by collect call from the auctioneer (so be sure to include phone number).
4. Phone inquiries about the glass or any other questions are welcome.
5. All non-successful bidders will receive a result summary in the mail. Results of all bids will be provided.
6. If you have some other person at the auction bidding for you, they must pay for the item before taking it.
7. Mail bids due by Wednesday, July 27, 1994.
