Boy...we're busy! Since we have the chance we are pleased to present to everyone another Victorian Pattern Glass / Carnival Glass Auction to follow the ACGA activities. The majority of the glass is from the collection of Harold Lude-man from Wisconsin. His glass, along with some other consignments will make this another very interesting event.

The Wisconsin selection has pretty good documentation as a large number were the actual items pictured in the Northwood Book series published by Antique Publications (the Heacock series, etc.), printed by Richardson Printing Inc. of Marietta, Ohio. There's a lot of significance to a number of these items.

The auction will be held at the same location as the ACGA Convention auction. Preview will be following the Saturday morning breakfast. For reservations call the motel direct at (614) 436-0700 or contact the auctioneers at their homes or at the motel around convention time.

This should be a great opportunity to add some items that are not too available nowadays. If you like Victorian Water Pitchers, Northwood items, opalescent glass in general, or whatever! - be sure to attend, you won't be sorry!

Mail Bids due by Thursday, July 28th.

Mail Bids honored under the following conditions:

1. No deposit required. Bidders will take full responsibility to honor any and all bids we execute for them. Payment in full plus postage and handling required after notification and before we ship any item to them.
2. **Items are bid on in perfect condition with average or above average iridescence OR as listed in the brochures. Bids will not be carried out when damage on an item has been found during the auction.**
3. Successful bidders will be notified by collect call from the auctioneer **(so be sure to include phone number)**.
4. Phone inquiries about the glass or any other questions are welcome.
5. All non-successful bidders will receive a result summary in the mail. Results of all bids will be provided.
6. If you have some other person at the auction bidding for you, they must pay for the item before taking it.
7. Mail bids due by Thursday, July 28, 1994.
