

CARNIVAL GLASS AUCTION

Saturday, May 11, 1996

We are not putting bold type on any one item. Each of you know the value and rarity of this glass; you don't need us to tell you what they are.

If you are unable to attend the auction, we will be happy to accept absentee bids which must be in writing. There is a \$5.00 charge for the first successful bid and a 5% charge for each additional successful bid. Shipping and insurance charges are additional. Successful bidders will be notified by collect call from the auctioneer (so be sure to include your phone number).

TERMS: Cash or Bank Drafts may be accepted if unknown, Checks accepted with proper ID and Social Security Number and References. Announcements made the day of the auction supersede all printed material. WE ARE NOT RESPONSIBLE FOR ACCIDENTS OR SOLD ITEMS.

You must buy by number and register for ID. So-called perfect glass, pin point and/or pin head nicks are termed by auction staff as mint. So check glass good before bidding as we don't want it returned. Larger nicks, chips, major mfg. flaws and cracks will be mentioned unless we have failed to see them, if any exist. Most all is mint. Each item should be examined by prospective buyers to be sure it represents what you wish to buy as our information is believed to be correct, but is not guaranteed. If we should be incorrect you bid accordingly as what you think it is, as our program is for guidance only.

All purchases must be paid before items are removed from building.

If any item is returned it may or may not be resold. If any person should return an item they may not bid the 2nd time.
