It's a real joy to work for certain people and Bill & Betty Mason are a couple of those people. They have collected glass for a number of years and have done a good job of it. They've always bought what they like and as time went by the things they like got a bit more interesting. To make a long story short, attend the auction - it has items ranging from one of a kind to available but pretty.

The Midway Motor Lodge at the Airport in Milwaukee will host the event. It's located on Howell Avenue off I-94, exit 318 - the Airport exit. For further information call Rick Kojis at (414) 327-0321 or Tom Mordini at (815) 235-4407.

Mail Bids due by Thursday, June 6, 1996.

Mail Bids honored under the following conditions:

1. No deposit required. Bidders will take full responsibility to honor any and all bids we execute for them. Payment in full plus postage and handling required after notification and before we ship any item to them.
2. **Items are bid on in perfect condition with average or above average iridescence OR as listed in the brochures. Bids will not be carried out when damage on an item has been found during the auction.**
3. Successful bidders will be notified by collect call from the auctioneer (so be sure to include phone number).
4. Phone inquiries about the glass or any other questions are welcome.
5. All non-successful bidders will receive a result summary in the mail. Results of all mail bids will be provided.
6. If you have some other person at the auction bidding for you, they must pay for the item before taking it.
