Carnival Glass Auction: Friday & Saturday - ~~April~~ 22 & 23, 1997

*from left to right: Dave Albrecht, the late Gary Cooper, Virg Albrecht,
John Gunden, Dorothy & Herb Albrecht*

In Memory of Gary Cooper:

As many of you know, Gary past away unexpectedly on March 16, 1997.

This is the last group photo of the auction crew. We have included the photo for those of you who had only dealt with Gary over the phone or by mail, and for others that perhaps had met him in the past and might remember him by the picture.

We appreciate the cards and kind words that many of you have shared with us. We would also like to thank all of our Michigan Carnival friends who have offered their help and support. A special thanks to Bob Gallo who has cataloged this Auction for us.

Gary's knowledge of Carnival Glass and Antiques is greatly missed, not to mention his random acts of kindness that would describe his life to those that knew him. Albrecht Auction Service, Inc. benefited greatly from our association with Gary and will continue on in memory of our dear friend.
