Happy New Year!! We are excited to start the New Year off with a super selection of glass from the Gordon and Charlotte Williams collection of California. Overall, good variety, great quality with excellent iridescence. We are back at the Wentzville Holiday Inn near St. Louis. For **RESERVATIONS:** Call (314) 327-7001 (Please ask for the Seeck Auction block of rooms).

Hope you all like our new look. The year 2000 seems as if it should be a year of change and experiment. Following, you will see that we have a video tape available for this auction. Always talked about doing this but we wanted to do it right and we feel the quality is excellent as the video picture looks very close to the actual piece. Chips and cracks are even shown. This should help you with absentee bidding and also you may decide to attend once you view the video. Also, post auction results will be sent to you after the sale which should make for great reference. Try it and let us know how you like it!
