## We have 3 options for ABSENTEE BIDDING for our live auctions:

- 1) **WRITTEN OR PHONE:** If you **DO NOT** have internet access or access to our website, you can: Call us by phone to enter your bids at (641) 424-1116 OR By sending the numbers of the item(s) desired and the amount bid on each to: Seeck Auctions, PO Box 377, Mason City, Iowa 50402. (The mail has not been very dependable. We would prefer you call us with your bids rather than send them in a letter.)
  - All written and called in bids will be entered into the online catalog by us.
  - **Written and Phone Absentee Deadline:** Have all bids in by **Wednesday, March 8** for the March 11 auction and **Wednesday, March 15** for the March 18 auction.
- 2) **ONLINE CATALOG:** Enter your bids from our website into our online catalog through the Auction Flex system. When you get to the online catalog, you will need to login as a bidder. For the first time you will need to **set up your account** by creating a user name and password. This will include filling out a form with your name, address, etc. You will also need to **register for the auction** which will ask you to enter a valid credit card number. This card will be validated by a \$1 charge to your card. This will only happen once and you will now be able to enter bids through our online catalog by just logging in with your user name and password. You will use this user name and password for all our auctions. You are not required to pay by credit card if you are successful. This is just a safeguard for us if someone does not pay. We will let you know what you owe us through an email and you can decide how you would like to pay us.
  - *An exciting advantage of entering your bids online yourself*, is the option to be notified by email if you are outbid on an item. You will know when you are outbid on an item and you can increase your bid on that item or bid on something else. **There will be a cutoff date and time for entering your bids online, generally at 9 p.m. the night before each live auction.** After this time has passed, you will not be able to enter your bids from our online catalog.
  - *Remember*, that just because you are the high bidder in the online catalog, this does not mean you have won the item. Your bid will still need to beat the floor bidders and live phone bidders. This system will run our absentee bids just as we did before. You will still be able to buy the item lower than your online bid unless someone on the floor bids you higher.
- 3) **LIVE PHONE BIDDING:** Available on pieces with an estimated sale price of \$500 or more. If you would like to participate in live phone bidding, contact us by the **Thursday before the auction, Mar. 9 for the first auction, and Thurs., March 16 for the second auction.** We will need to know the lot# and the phone number that you can be reached at on the day of the auction. We will also need your home phone number if different than the above number. Please call with questions: 641-424-1116.
  - **There is a \$7 handling charge for each successful bid. Shipping and insurance charges are additional.** bidders will be notified by phone/email if their bid(s) are successful. This will be done 1 - 3 days after the auction.
  - **If you do not receive an item that sold for less than your bid, assume we cancelled your bid because the item had a severe manufacture problem, damage or was not listed correctly.**

<b>BID INCREMENTS: \$1 - \$100/\$5</b>	<b>\$100 - \$200/\$10</b>	<b>\$200 - \$700/\$25</b>	<b>\$700 - \$1,500/\$50</b>
<b>\$1,500 - \$3,000/\$100</b>	<b>\$3,000 - \$5,000/\$250</b>	<b>\$5000+ Auctioneer's Discretion</b>
