- 100 Mburg emerald green Olympic compote. Only green one reported to date. I once was told that Dynamite comes in small packages. I wasn't sure that was true until now! Maybe the crowning jewel in Millersburg Glass. 1st time to have a chance at one in decades, and probably the last time in your lifetime and mine to even see one. All information/provenance about this compote and all of Christina's glass can be found at: [www.Carnivalglassshowcase.com](http://www.Carnivalglassshowcase.com). You really should visit this website.
