

LEE'S WONDERFUL CATALOGUE OF EASY SELLING GOODS *and* PREMIUMS

We occupy this entire building containing 192,000 square feet of floor space. This means about five acres devoted entirely to this great and growing business. If the six floors contained in the building were all combined on one immense floor and then placed in a straight line, they would occupy a space equal to about five city blocks. The picture of this enormous merchandising building is shown and described here without exaggeration. When you deal with the Lee Manufacturing Company, you pin your faith to a large concern of known responsibility whose success and growth are due to an indelible determination to give the best values and the best premiums the world has ever known.

How to Take Orders and Get Lee's Valuable Premiums

YOU WILL FIND "LEE'S METHOD" OF SELLING GOODS THE EASIEST KNOWN

Bear in mind that we trust you. You do business on our capital. We ship the goods and premiums together. We pay the freight and give you time to deliver, collect and send us the money.

YOU MAY EARN ANY NUMBER OF OUR PREMIUMS

WE PAY the FREIGHT on EVERYTHING and TRUST YOU with OUR GOODS and PREMIUMS

ALL ORDERS MUST AMOUNT TO \$10.00 OR MORE Read the following instructions carefully. It will avoid misunderstandings and you will find everything contained herein that you wish to know fully explained.

SHOW THIS CATALOG to your friends and neighbors and explain to them that they may select any goods they prefer. You can make up your order from as many different items as you choose, so long as your entire order amounts to \$10.00 worth or more.

As quick as your customers give their order for the goods they want, write their full name and address on the order blank; also be sure to write plainly the number and price of the article ordered, so that we will not make a mistake in filling the order.

As soon as you have secured enough orders (\$10.00 worth or over) to earn the premium or premiums you want, see that the order blank is properly filled out and have the letter of reference on the back of the order blank signed by your postmaster, banker or some responsible merchant (the postmaster will gladly sign it for you) then mail the order to us and we will immediately ship all the goods and all the premiums you select the same day that we receive your order and you need not send us one cent with the order.

NO MONEY WITH ORDER REQUIRED It is not necessary to send any money with your order (if it amounts to \$10.00 or over), as we will trust you and allow you to send the money for the goods after you have delivered the goods to your customers and collected for them.

We allow you fifteen (15) days after you receive the goods to deliver them to your customers, collect the money and send same to us.

TAKE YOUR ORDERS IN ADVANCE We cannot fill an order unless our agent has seen all her customers and taken their orders for our goods before she sends in her order to us.

Keep an exact copy of the order you send us, with the name of each of your customers and the number and price of the article each one selected, so that you will make no mistake in delivering the goods when they arrive.

COLLECT THE MONEY FROM YOUR CUSTOMERS AS YOU DELIVER THE GOODS

Our agents are not allowed to deliver goods and extend credit. If your customer cannot pay the amount when you are ready to deliver the goods, do not leave them, but call with them again when she is ready to pay for same.

Always notify us as soon as you receive the goods and if in any instance your depot agent requests you to pay any freight charges, pay him, then deduct from the amount due us, but be sure to send us the freight receipt.

THIS CATALOG IS ALWAYS GOOD Do not lose or destroy this catalog, as we will accept orders from it and ship the goods, even if you use it to get up an order five or ten years after you receive it. We keep an enormous stock of goods and can fill orders promptly, no matter when you send them in.

Our goods are sent out on consignment only and our agents cannot use any of the goods or any of the collected money for their own use. The full amount must be forwarded to us and if used for any other purpose it is a violation of the law and the penalty is very severe.

WE GIVE EXTRA PREMIUMS FOR CASH WITH ORDER

We do not ask for any money in advance, but many agents prefer to send cash with their orders rather than ask their banker, merchant or postmaster to sign the "Reference Letter" on back of order blank. When cash is sent with the order, agents are not required to take their orders in advance. Cash orders are always filled upon receipt, as we do not have to look up the standing of the party signing agent's "Reference Letter." Sending cash with the order saves considerable time and expense in bookkeeping, and we are willing to send the Extra Goods or Premiums mentioned below when cash is sent with orders. **THIS IS IN ADDITION TO REGULAR PREMIUMS.**

- FOR CASH WITH A \$10.00 ORDER we will send you FREE, any goods you may select from our catalog to the amount of.....\$1.00
- FOR CASH WITH A \$12.00 ORDER we will send you FREE, any goods you may select from our catalog to the amount of.....\$1.25
- FOR CASH WITH A \$15.00 ORDER we will send you FREE, any goods you may select from our catalog to the amount of.....\$1.50
- FOR CASH WITH A \$20.00 ORDER we will send you FREE, any goods you may select from our catalog to the amount of.....\$2.00
- FOR CASH WITH A \$25.00 ORDER we will send you FREE, any goods you may select from our catalog to the amount of.....\$2.50
- FOR CASH WITH A \$30.00 ORDER we will send you FREE, any goods you may select from our catalog to the amount of.....\$3.00
- FOR CASH WITH A \$40.00 ORDER we will send you FREE, any one of the regular premiums given for a \$10.00 order which you may select.
- FOR CASH WITH A \$50.00 ORDER we will send you FREE, any one of the regular premiums given for a \$15.00 order which you may select.

Remember, it is NOT necessary to send cash with order unless you WISH to do so IN ORDER to get these FREE EXTRA PREMIUMS. YOU CAN ALSO EARN PREMIUMS AND CASH FOR APPOINTING AGENTS FOR US. Read the INSIDE back cover of this catalog and you will see how very easy it is to earn many valuable premiums, as well as big money, by simply appointing some of your friends to take orders for us. Read this great offer now, for it is an unusual opportunity. It is fully explained on the inside of the back cover of this catalog. You will find it very easy and remarkably profitable to appoint agents.

LEE MANUFACTURING CO., THE BIG RELIABLE PREMIUM HOUSE, CHICAGO

IS NOT PEDDLING In taking orders under our plan you are not peddling and no license is required. Please bear in mind that as long as you take orders IN ADVANCE you are not peddling and you do not have to pay a license.

BOYS AND GIRLS MAY TAKE ORDERS FOR US but the order blank must be made out in the name of the responsible head of the family over 21 years of age.

AGENTS MUST NOT RETURN ANY GOODS TO US UNLESS WE GIVE THEM INSTRUCTIONS TO DO SO When these instructions are received, ship all the goods by freight and send us a duplicate bill of lading. Be careful to put your full name and address on a card and put it in the barrel or box, so that we can credit the goods to you when they are received.

SEND MONEY BY POST OFFICE MONEY ORDER express money order or registered letter and make all remittances payable to "Lee Manufacturing Co., 35th and Morgan Sts., Chicago."

BREAKAGE AND SHORTAGE We reserve the right to make good any breakage or shortage, but prefer to send replacements with next order. It is impossible almost to prevent breakage, and while we make it good, yet we ask you not to make us pay from fifty cents to \$1.00 (and sometimes more) expressage or freight to make the replacement. Just state plainly when sending your next order, what is broken, if anything, in the previous shipment. In case of breakage or shortage, have your depot agent make a notation of same on the freight expense bill and return the expense bill to us as soon as possible and we will always make it good.

Remember, we pay all freight charges on orders amounting to \$10.00 or over. Orders for less than \$10.00 not accepted unless cash comes with the order.

If you prefer to take cash commission instead of the premiums, we will allow you twenty-five cents on every dollar's worth of goods you sell for us.

OUR GUARANTEE OF PURE FOOD We guarantee that all Lee Products are absolutely pure, are not misbranded, and conform to the requirements of the National Pure Food laws of the United States.

OUR REFERENCES On the first page of this catalog we reproduce some letters from leading banks of Chicago. These letters should inspire your complete confidence. They tell the whole story.

We want you to know that you are safe in our hands. We want you to know that any orders you send us will be taken care of in a careful, prompt and conscientious manner.

The letters reproduced on page one, from some of Chicago's leading banks, will convince you that you are perfectly safe in dealing with us, whether you send the cash with your order or not.
