Well... it's about time!! ... about time we got to work and about time we have a sale at our old hangout... The Holiday Inn of New Philadelphia, Ohio.

This sale contains the glass of Alan & Claire Israelson from Massachusetts. The Millersburg items that they acquired are super examples for the most part - thus bringing the Auction back home. There are excellent examples of Fenton & Northwood items making for an easy one day session with glass well worth owning.

The Holiday Inn of New Philly will host this event. They have a great facility with a great Steakhouse on the premises and it's looking good. The facility is located off Exit 81 of I-77 over the Bridge and right at the first traffic light & there she is. We sure hope ya'll be there.

Mail Bids due by Thursday, April 7, 2005.
