Here's a nice quality collection being sold here in Upstate New York that was brought up from the state of Louisiana.

We are offering over 250 lots of good looking Carnival Glass from the collection of Mr & Mrs Bill Page for the Southwestern area of the Bajou State.

There's a number of affordable items in great condition with the Emerald Green Northwood Thin Rib Jardineere being the highlight - what a beauty!

Anyway these folks are splitting up and parting their ways, so we've got the glass to sell for them. It'll be the weekend before the Brimfield Flea Market so maybe we'll see some of you on the way East.

The Auction will be held at the Knights of Columbus Building located just off Exit 38 of the Southern Tier Expressway (I-86) - head towards town, cross the RR tracks, straight ahead on the right behind the Bank. We'll have a preview from 4-7pm on Friday and again at 8am on Saturday. We hope to see ya there!

Mail Bids due by Thursday May 5th, 2005.
