Schedule of events: Friday at 3:30 pm we will be selling the small collection of Cloice B. Adams. This is nice evening auction with a fantastic Aqua Opal Poppy Show bowl! You won't want to miss this!

Friday Evening at approx. 6 to 7 pm we will have Wine tasting with the Versailles Winery and at approx. 7 p.m. a fine dinner from the Fairlawn Steak house! We have had several people tell us about their visits to the Versailles Winery so we are bringing it to you! You will be able to taste 12 different local wines. If you like any, you will be able to let us know and your bottle will be chilled and waiting for you at your table at dinner time. Entertainment will also be provided including a fun time with Harold Cox on the Harmonica! If you haven't heard Harold play, this will be a treat!

Now for the main event. Saturday at 9:30 a.m. Drs. Richard and Carol Cinclair and friends Carnival Glass collection. This collection is off the charts. Dr. Cinclair started collecting in 1972 and got real serious in the early 80's. He joined his first club in Texas and it snowballed from there. He is a well known figure in the Carnival world with doing over 30 seminars from California to Massachusetts. His knowledge, wit, and humor are among the several things that people love about Richard. His wife, Carol, has also been very active in the Carnival world and is a very knowledgeable person on the collecting of Carnival Glass. Richard and Carol make a fantastic couple and have built a very impressive collection. This collection will be sold in its entirety with no reserves or minimums. This will be a great opportunity to acquire some fantastic glass to add to your collection. We hope to see y'all here!
