 Just In - Another small collection of Carnival Glass, approx. 150 pieces of carnival

glass that is not cataloged! We have no idea what's going to be there. Come on over and find out. Glass will not be here until 2-days before the auction so there will not be a list. We will sell it right out of the box. Plan on spending the afternoon with us as it will take some time to unbox the items as we sell.
