**The Ott/Nielsen Collections**

Seeck Auctions is very pleased to be selling the Phyllis and Late Dick Ott collection from New York. Phyllis and Dick collected Carnival Glass for years and were very active in the clubs and conventions. They were known for their great vases and as you will see in the auction, there are several fantastic ones! Along with this collection will be selling the John and Loretta Nielsen collection from Florida. John and Loretta are very active in the Sunshine club and love traveling to all the conventions. Their lettered and advertising pieces are outstanding and both these collections together will make up one of the best auctions of the year. Lots of rarities and the color and irid. are incredible. The events and food sound wonderful this year at the convention. Also, don't miss the Amana Colonies trip. Being from the area, this will be a highlight of the convention.

A reminder that we are now accepting MasterCard and Visa for purchases at the auction and also for absentee bidding. We will also be executing live phone bidding on this auction. Please see policy below.
