We have been authorized to sell the Glass Collection from the Patricia "Pat" Davis Estate. Pat loved seeking out rare and super nice pieces for her collection. Two of her favorites were the magnificent Millersburg Hobstar and Feather giant rose bowl in green carnival and the very RARE Northwood Grape & Cable Cookie Jar in aqua opalescent carnival. Carnival Glass collectors tried unsuccessfully for years to purchase the aqua opalescent cookie jar from Pat even though it had no lid and had a crack in the base. These two items WILL BE in the auction! Another super item will be the German opalescent Art Glass epergne that Pat bought from a gentleman who held it in his lap on the plane between Germany and the United States. A very special thanks to Bill Edwards, collector and author of numerous books on Carnival and Opalescent Glass who assisted in the preparation of this auction.

Terms: Cash or good check, VISA and MasterCard accepted w/ proper ID. There will be a 3% Clerking Fee on all purchases except for payment of cash or check. Announcements made day of auction take precedence over printed information.

All items being sold with no minimum and no reserve!

Sales Tax will be charged, please bring your tax-exempt numbers.
