It's time for the WWW.CGA convention and we will be "on The Road" one more time with Chuck Kremer!! We are very pleased to be bringing you the collection of the late Chuck and Marge Kremer of Indiana on Friday. There isn't enough I could say about Chuck. He was an absolute gentleman and someone that would take anyone aside and talk to. You knew you had a friend when you spoke with Chuck. He loved table sets and we have a fair amount in the auction for you. Chuck spent many years putting together some of these sets and we are not about to break them up! So please take that into consideration as you go through the brochure. The collection for Saturday is mostly from a collection out of southern CA along with a couple of smaller collections from VA and VT. Over 570 lots for you to choose from. This is a 2 day auction with both days starting at 10 am.
