This will be our annual Customer appreciation weekend
with lots of glass, food & entertainment!!

This year we will be doing things a bit different. Friday morning will start off with the Fenton collection of Art & Ellen Gilbert- West Manchester, IN. Then at approx 3:15 we will begin selling the collections of Harold Cox and Bill & Nancy Curtis-CA. Most everyone knew Harold and his love for CG and his fellow collectors. He didn't ever pass one person without saying hello, good morning or whatever. Harold was a true pioneer in CG and really had many admirers. We choose this weekend for his auction because of his devotion to family and country. Having Harold play his harmonica for our first customer appreciation day on a veterans weekend and him playing all patriotic songs was absolutely the best! We all miss Harold and his harmonica. This weekend is your chance to own some of this wonderful mans glass and cherish it for the rest of your lifetime. We also have the Curtis collection from CA. Bill & Nancy have been and still are very active in their clubs out west. They have amassed a very nice collection to go with Harold's. We are very happy to present these 2 Very fine collections for you this weekend!

Don't forget that friday after the auctions will be our annual Customer Appreciation dinner with entertainment! The Greenville Wavaires will be back with an all new performance for you! These kids do a great job and they truly enjoy being here do what they do. We hope to see all of you here!
