On November 4th, 2008 we were all saddened by the sudden loss of our friend, Casy Rich. Casy was a breath of fresh air to the carnival glass collecting world, and accomplished so much during his short time with us. Stan, Mary, & Morgan Rich, wish to convey their

appreciation to all of you who sent cards, called, and expressed your concerns after Casy's passing. It was a great comfort to them during their time of bereavement. I know all of us that knew Casy will always hold a special memory of him.
