THE MARIE MCGEE AND THE LATE RUTH MOORE COLLECTIONS

(Preview: Time to be determined at Convention)

Seeck Auctions is very pleased to be auctioning to the highest bidder the collections from two fantastic ladies from California, Marie McGee and the Late Ruth Moore. Marie is considered The Expert on Millersburg. She has researched and written a book on Millersburg glass and has done numerous seminars and talks on the glass. We have known Marie for several years and her excitement and knowledge of the glass cannot be beaten. She is happy to offer her collection of Millersburg glass at the ICGA convention.

We have also added the collection of the Late Ruth Moore from California into the auction. We have also known Ruth from the beginning and she was always the one to buy the best of the best. She attended all the conventions in the west coast and added her own flare to the conventions and auctions. One of her favorite patterns was Memphis and as you can see from the catalog she has some very rare and wonderful pieces. Ruth had a large collection and the second half of her glass will be sold this fall.

Can't say enough about this auction. It is loaded with a great variety of glass. We hope to see lots of you in Des Moines. (We want ALL the Iowa people there!) Brian and the gang always put on a fun, educational and exciting convention. Enough rambling – all the pieces have been photographed for the website. Enjoy!!
