## ■ We have 3 options for absentee bidding for our live auctions: ■

- 1) If you DO NOT have internet access, you can: Call us by phone to enter your bids at (641)424-1116 OR by sending the numbers of the item(s) desired and the amount bid on each to: Seeck Auctions, PO Box 377, Mason City, Iowa 50402. We would prefer you call us with your bids rather than send them in a letter.) We will enter your bids into our online bidding system.
  - ★ Have all written bids in by Wed., Sept. 16
- 2) Enter your bids from our website into our online catalog through the Auction Flex system.
- First-time bidders: Set up your account by creating a user name and password and filling out basic information. You will also need to register for the auction which will ask you to enter a valid credit card number. This card will be validated by a one time only charge of \$1 charge to your card. You will use this user name and password for all our auctions.
- You are not required to pay by credit card if you are successful with your online bid. We will let you know what you owe us through an email and you can decide how you would like to pay us.
- ◆ An exciting advantage to online bidding is that you can be notified by email if you are outbid on an item, which lets you increase your bid in time, or bid on something else. There is a cutoff date and time, for each auction, for entering your bids online. ★ Online absentee bidding for this auction closes Friday Sept. 18 at 9 p.m. CST.
- Remember that just because you are the high bidder in the online catalog, this does not mean you have won the item. Your bid still needs to **beat** the floor bidders and live phone bidders. If your high bid lands with a floor bidder during the live auction, the floor bidder takes precedence. You might want to bid higher on a highly desired item for a better chance at winning its absentee bid.
- If you do not receive an item that sold for less than your bid, assume we canceled your bid because the item had a severe manufacture problem, damage, or was not listed correctly.
- 3) Live phone bidding is available on pieces with an estimated sale price of \$500 or more. ★ Contact us by the Thursday before the auction, which is Sept. 17. We will need to know the lot# and the phone number that you can be reached at on the day of the auction. We also need your home phone number if different than the above number.

Please call with questions: 641-424-1116.

If you win an online bid you will be notified by phone or e-mail between one to three days after the auction. There is a \$7 handling charge for each successful bid, with shipping and insurance charges additional.

ONLINE BID INCREMENTS: \$1 - \$100/\$5 \$100 - \$200/\$10 \$200 - \$700/\$25 \$700 - \$1,500/\$50 \$1,500 - \$3,000/\$100 \$3,000 - \$5,000/\$250 \$5,000+ Auctioneer's Discretion
