The Lawrence Renn Jr. Collection

Seeck Auctions is pleased to be selling the Lawrence Renn Jr. collection of kerosene lamps and Carnival Glass. The kerosene lamps will sell Friday evening. A listing is available on our website and will be available at the auction. The Carnival Glass will sell on Satur-

day. Lawrence was known for his water set collection but he has much more than that! His collection has a nice variety of pieces including many plates, bowls and other great pieces. Check the listing out and hope to see many of you in St. Louis!

If you plan on attending and would like to stay at the hotel, we have a block of rooms available at a rate of \$99. **This rate will be cut off on October 29**. To make reservations, call 314-291-6700, group code is "CGL"

Terms: Cash or Check, VISA, MasterCard & Discover accepted w/proper ID. 4% Clerking Fee on all purchases made using credit cards. Announcements made day of sale take precedence over any printed information.

— We have 5 options for absentee bidding for our live auctions:

- 2) Enter your bids from our website into our online catalog through the Auction Flex system.
- First-time bidders: Set up your account by creating a user name and password and filling out basic information. You will also need to register for the auction which will ask you to enter a valid credit card number. This card will be validated by a one time only charge of \$1 charge to your card. You will use this user name and password for all our auctions.
- You are not required to pay by credit card if you are successful with your online bid. We will let you know what you owe us through an email and you can decide how you would like to pay us.
- An exciting advantage to online bidding is that you can be notified by email if you are outbid on an item, which lets you increase your bid in time, or bid on something else. There is a cutoff date and time, for each auction, for entering your bids online. ★ Online absentee bidding for the lamp auction ends at 3 p.m. Fri., Nov. 20 and at 9 p.m. CST. that same night for the Carnival Glass.
- Remember that just because you are the high bidder in the online catalog, this does not mean you have won the item. Your bid still needs to beat the floor bidders and live phone bidders. If your high bid lands with a floor bidder during the live auction, the floor bidder takes precedence. You might want to bid higher on a highly desired item for a better chance at winning its absentee bid.
- If you do not receive an item that sold for less than your bid, assume we canceled your bid because the item had a severe manufacture problem, damage, or was not listed correctly.
- 3) Live phone bidding is available on pieces with an estimated sale price of \$500 or more. ★ Contact us by the Thursday before the auction, which is Nov. 19. We will need to know the lot# and the phone number that you can be reached at on the day of the auction. We also need your home phone number if different than the above number.

Please call with questions: 641-424-1116.

If you win an online bid you will be notified by phone or e-mail between one to three days after the auction. There is a \$7 handling charge for each successful bid, with shipping and insurance charges additional.

ONLINE BID INCREMENTS: \$1 - \$100/\$5 \$100 - \$200/\$10 \$200 - \$700/\$25 \$700 - \$1,500/\$50 \$1,500 - \$3,000/\$100 \$3,000 - \$5,000/\$250 \$5,000+ Auctioneer's Discretion
