## The Fry Collection

"Iridescence is the Essence!" was the phrase coined by Diane and Dean Fry and Seeck Auctions is pleased to be auctioning their collection of Carnival Glass put together with this phrase in mind. Diane and Dean made many contributions to Carnival Glass collecting. They were the founding members of the San Diego Carnival Glass Club, did numerous

seminars and created the website "Carnival Glass 101" They were pattern collectors, iridescence collectors and rarity collectors. All three of those together make for one darn good auction! **Note:** Bolded text only indicates that the piece is pictured. The entire auction could be bolded for quality and rarity. Hope to see you all in Mason City!
