Hello Folks...It's Lincoln-Land Convention Time, and it is sure to be one that you will not forget for a long time. The new club officers has assured us that this year's convention will offer a lot of new and exciting convention activities. This year's auction is from the collections of the late Bill Presbrey and our local club members Ida and Bob Goodman. The combination of their glass is a presentation of what I believe to be is one of the best all around collections for iridescence that we have had. There will be something for everybody's taste. So if you like killer color, you will not want to miss this auction or convention. If you are not able to join us be sure to use our LIVE Telephone Bidding Service or Absentee Bidding. Look forward to seeing you all in June.
