Good day to all... I have asked Jim and Mike to auction off my carnival glass collection of 40 years. Because of recent loss of job I need to sell now. I have given Jim & Mike only 4 days notice to do this for me, but they got it done. Because of this I understand that there is no time for a color catalog, but you can visit their website for lots of pictures. I have collected carnival glass for over 40 years. You will find next to no damage and very nice color. I hope you can attend this auction as everything will be sold regardless of price. Nothing has been held back. This will be a complete liquidation of my entire collection. Again, sorry for the short notice, but I need to sell now. Sincerely, Lew Yates, Wheeling WV.
