The deadline for all absentee bids will be on Thursday, August 7th 10:00 pm Pacific Time. All items in this auction are photographed for your bidding convenience. By submitting an absentee bid you are entering into a contract with Remmen Auction Service and will take full responsibility to honor any and all bids we execute for you. Your absentee bid will be entered just as if you are present at the auction and bidding yourself. A \$7.50 handling charge for each successful absentee bid will be added to the selling price. The auctioneer will notify successful bidders within 3 to 5 days after the auction. Payment in full, plus postage, insurance, and handling are required within 10 days of notification and before any item is shipped or delivered to buyer.

All items are bid on in excellent condition or as listed in the brochures. Absentee bids will not be carried out if damage to any item is found during the auction. We will always do our best to describe each item as accurately as possible. People present at either the preview or the auction are responsible for finding minor defects such as Pinheads, Typical Wear, Manufacturer's Defects or any other minor flaws. If someone in the audience is bidding for you, all items must be paid for before leaving the auction unless prior arrangements have been made. In the event of a tie bid, bidders in attendance will have precedence over an absentee bid. In the event of a tie bid between absentee bidders, the earliest bid received will have precedence. Remmen Auction offers absentee bidding as a convenience and will not be held responsible for errors or failure to execute bids.
