Folks what a weekend this is going to be!!! Friday will start with the McDaniel's Contemporary carnival glass. This is the last of their great contemporary collection. There are some wonderful things here! Show up early! THEN Friday afternoon we will get into one of the best and largest all around collections we have seen in awhile! This collection is from the Cleta Riemenschneider estate out of Cuyahoga Falls Ohio. Very few people knew Cleta collected carnival glass and even fewer, if anyone, have ever seen this wonderful collection! To say this is a major "sleeper" collection would be an understatement. Everything is fresh to the market being behind closed doors for over 30 years. We were extremely surprised at not only the quantity, but also the quality and diversity. Cleta owned and operated a tag sale business in the Cleveland area for more than 40 years, so obviously had first pick at this wonderful glass right out of the homes in her area. This is a great opportunity to buy fresh merchandise at no minimums and no reserves!! EVERYTHING SELLS to settle estate!!! Don't miss this one!! See you there. We ask that you use preview times to look over items of interest.
